Roles and responsibilities: The roles and responsibilities of DAB are as follows:

- Suggest improvement in academic plans and recommend standard practices/systems for attainment of POs & PSOs
- Encourage for industry-institute interactions to bridge up curriculum / industry gap and suggest quality improvement initiatives to enhance employability.
- Redefine existing PEO's, aligning of PEO's to the mission & vision statements and defining program specific outcomes through feedback.

- To propose necessary action plan for skill development of students, required for entrepreneurship development and quality improvement.
- To identify and suggest thrust areas to conduct various activities (final year projects, training courses and additional experiments to meet POs & PSOs).

Dr.. S. T. Mali

HOD Civil Engineering
