Student Development Activity: Following activities are proposed for exploring the opportunities into various research areas, industries. The objective of these activities is to focus on the student contribution towards research, industry exposure & social awareness, etc.

- *R&D activities,*
- *Ind. Trainings, Industrial Visits,*
- *Workshops, Conferences,*
- *Paper readings, Technical Talks,*
- *GD & PI, Hands on trainings,*
- *Demonstrations, Show etc*

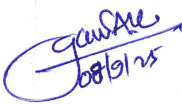

Above activities are required to plan in consultation with all subject teachers, PG Coordinator and Head of the Department. This should focus on the holistic development of the student.

Guest Lectures: Guest lectures (minimum two) are required to be planned considering the student academic schedule. Objective is to acquaint students with the recent trends and explore an opportunity in the industry. Individual PG faculty member required to submit the proposal to PG Coordinator and HOD in first week of the commencement of the academic session.

Industrial/Site Visits: Industrial/Site visit required to be plan considering the student academic schedule and in consultation with the concern industry. Individual PG faculty member required to submit the proposal to PG Coordinator and HOD.

Dr. Sandip T. Mali
PG CM Academic
Coordinator/ Class Teacher

Dr. Dhirajkumar S. Lal
PG CM Coordinator
